Q Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

Q New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.

Dr. Johnson, of dictionary fame,
said that a man should keep his
friendship in constant repair. Prai-
serving the learned doctor, every
concern should keep its list of custom-
ers in constant repair.

New customers must be obtained to
replace those who discontinue be-
cause of reasons beyond control. To
assist clients in getting new custom-
ers is the POLKWAY Mail-List Service.

Q Dr. Johnson, of dictionary fame,
said that a man should keep his
friendship in constant repair. Para-
phrasing the learned doctor, every
concern should keep its list of custom-
ers in constant repair.

Q New customers must be obtained to
replace those who discontinue be-
cause of reasons beyond control. To
assist clients in getting new custom-
ers is the FOLKWAY Mail-List Service.

Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.

Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.
